Heritage Halls residents utilizing the off-site parking stalls in Lot 45B are required to move their vehicles from the lot before home football games, other events held in the stadium, or parking lot maintenance.

Vehicles can be moved to parking Lot 46Y, Lot 46A, or Lot 53. These lots are located by BYU West Campus at University Avenue and Cougar Blvd.

Vehicles must be returned to Heritage Halls authorized parking areas by 10:00 a.m. the morning after the game or event.

If students fail to move their vehicles by 10 pm the night prior to an event or maintenance work a $200 ‘failure to comply’ citation will be issued. Also, the student will pay for any associated towing or moving fees the university has to incur to move the vehicle.
